"Kade Holley, Forest Ranger Series Vol. III"

A forest ranger for the U.S. Forest Service for 31 years, Dan Kincaid, of the Village of Dunedin, has told the story of his career across 13 books, his latest being on the Kade Holley series dubbed "Kade Holley, Forest Ranger Series Vol. III." Each book in his series has five self-contained stories within, which are based on some of the experiences Kincaid personally encountered or heard about as a forest ranger. "I wanted to tell young people what its like to be a forest ranger," Kincaid said, adding it can be read by anyone with a love for the outdoors. Kincaid said his favorite experience was looking back on his career. "Trying to relive and remember it all, it was a rewarding career," Kindcaid said. His books are available at dankincaid.com and amazon.com.
